2002 Garys' Vineyard Pinot Noir

A stunning Pinot Noir. The '02 Garys' is superb: full bodied and intensely flavored with light tannins and a very long finish.

Concentrated berry and black cherry aromas with a hint of savory spice and bacon. Testarossa makes one of the best Pinots from the Garys' Vineyard and the 2002 is no exception.

Spicy, complex, sweet raspberry and black cherry fruit aroma with notes of vanilla and anise; overtones of creamy oak. Very highly recommended.

Terrific structure, balance and finish. WOW! This is easily one of the best Testarossa Pinots I've tasted – a wine you don't want to miss.

Deep, complex black fruit, plum and earthy aromas; structure is right on. Complex character plus incredible balance really makes this wine stand out.

Smoky, brambly raspberry is the dominant aromatic character here, while high-toned cherry and raspberry fruit sings on the racy, spicy palate.

Hits the palate with a blast of spicy berry fruit, opulent and sweet, wrapped in lush smooth tannins. A seductive, silky wine.

2002 Garys' Vineyard Pinot Noir

Why is the Garys' Vineyard special?

The Garys' Vineyard is a partnership between two Garys – Gary Pisoni, the owner of the famous Pisoni Vineyard in Monterey County's Santa Lucia Highlands and Gary Francioni, the owner of the Rosella's Vineyard, also in the Santa Lucia Highlands. This naturally low yielding vineyard is comprised of 40 acres of Pisoni Clone Pinot Noir and 9 acres of Syrah. Combined, the two families have over 200 years of farming experience in Monterey County.

Flavor Profiles: Garys' Vineyard Pinot Noir

The Garys' Vineyard produces Pinot Noir with rich blackberry and wild berry accents, with wonderful floral undertones. It is a wine of finesse and elegant silky tannins, with an ever so slight hint of spices, underlined by a pinch of white pepper.

Testarossa Style: Complexity, Balance, and Silky Texture

Testarossa's "house style" is to create wines of uncommon complexity for you to enjoy, while maintaining the beautiful balance of natural wine flavors, hints of toasty new oak, a back-bone of natural acidity, and silky smooth texture that make our wines feel as good as they taste.

Testarossa's Special Pinot Noir Winemaking Techniques

It all starts in the vineyard where our winemaker, Bill Brosseau, works with our growers to balance the vines so they produce rich, flavorful, and nutritionally healthy fruit, without over or under stressing the vines. All of the fruit is carefully hand sorted, and a gravity flow process is used throughout fermentation. In the cellar we do an extended pre-fermentation cold-soak, and then use a special strain of yeast in our small custom designed 5-ton stainless steel fermentors.

Unique Characteristics of the 2002 Vintage

The 2002 vintage was a stark contrast to the 2001 season. 2002 began with slightly erratic weather in the spring, then transitioned into a steady warmth after the flowering period. Unlike 2001, the warm Indian summer continued on through October, leading to intense flavor development in the cooler sites of Monterey and Santa Barbara Counties. These combined effects led to small crops and intense, ripe flavor profiles in the finished wines.
