LOS GATOS • CALIFORNIA

2004 Brosseau Vineyard Chardonnay

Pale yellow color. This wine shows aromas of apricot, peach, pear and some spice. Upon taste, the flinty nature of this wine gives away its typicity to limestone soils. Flavors of stone fruit and creme brulee are wrapped around the wet stone texture of this wine. The finish is smooth and lingering.

Enough spicy apple to fill a pie. This is a richly flavored wine with a distinctive core of apple, cooked piecrust and touches of hazelnut and floral aromas. Long and concentrated, it's beautifully balanced, with a persistent fruity aftertaste.

This limited bottling is concentrated with hints of honey and toast overlying sweet fruit scents and flavors. Viscous and fairly round in mouthfeel with glimmers of butterscotch and caramel to its deep character, this solid, very rich wine demands service with savory fish and chicken dishes.

Possesses mineral, pear, and earth characteristics along with white peach notes. Full-bodied, richly textured, and impressively endowed, this Burgundian-like beauty is ideal for drinking now. Its personality is similar to that of a premier cru from Meursault.

Medium-light to medium golden yellow; intense, buttery, distinct Chardonnay fruit aroma with notes of cinnamon and toasted hazelnut; full body, plush, spicy, ripe fruit flavors with overtones of vanilla and a slightly viscous, rounded mouth feel; lingering aftertaste. Very highly recommended.

2004 Brosseau Vineyard Chardonnay

Tasting notes from winemaker Bill Brosseau:

Pale yellow color. This wine shows aromas of apricot, peach, pear and some spice. Upon taste, the flinty nature of this wine gives away its typicality to limestone soils. Flavors of stone fruit and creme brulee are wrapped around the wet stone texture of this wine. The finish is smooth and lingering.

Why is the Brosseau Vineyard special?

Heavy limestone and decomposed granite soils give the grapes from the Brosseau Vineyard a distinctive old world style, yet still produces rich, forward new world fruit flavors. Jon and Jan Brosseau planted their naturally low yielding vineyard in the shadow of Monterey County's Pinnacles National Monument in 1980. These quarter century old vines, farmed by Testarossa winemaker, Bill Brosseau, produce grapes of uncommon intensity and concentration.

Flavor Profiles: Brosseau Vineyard Chardonnay

The baked apple fruit flavor is wrapped with layers of hazelnut, honey, and vanilla. The deep floral aromas of this wine beautifully complement a whisper of citrus. Limestone rich soils give this wine depth and exceptional ageability.

Testarossa's Style:

Complexity, Balance, and Silky Texture

Testarossa's "house style" is to create wines of uncommon complexity for you to enjoy, while maintaining the beautiful balance of natural wine flavors, hints of toasty new oak, a backbone of natural acidity, and silky smooth texture that make our wines feel as good as they taste.

Testarossa's Special Chardonnay Winemaking Techniques

It all starts in the vineyard where our winemaker, Bill Brosseau, works with our growers to balance the vines so they produce rich, flavorful, and nutritionally healthy fruit, without over or under stressing the vines. In the cellar, we use native yeast fermentations in 60 gallon French Oak barrels, 100% malolactic fermentation, and special new innovations that yield uncommonly rich Chardonnays.

Unique Characteristics of the 2004 Vintage

2004 started off with an unusually warm dry spring, resulting in enhanced fruitfulness in the vineyards. Moderately warm summer temperatures meant harvest would come a week or two early. September began with a big heat spike, low humidity, and little fog, and harvest ramped up to full capacity instantly. Color and tannin intensity of the wines are pleasantly balanced with a rich fruit-forward focus.
