This extravagantly oaked effort scores big points for richness, balance and very fine fruit. It is broad and fleshy in feel, and its ample tannins are firm but never abrasive.

Very ripe with the weight, viscosity and jammy, chocolatey character that such ripeness predicts. The wine is full, fleshy and well-balanced.  
*Connoisseurs' Guide - March 2004*

points

Dark-hued, intense and spicy, with a peppery edge. Concentrated berry, floral and fresh game-meat Syrah flavors, with rich mineral, fresh earth and round tannins.  
*Wine Spectator - April 2004*

# 2004 Garys' Vineyard Syrah

## Tasting notes from winemaker Bill Brosseau:

Deep red color. Hints of white pepper, blackberry and anise. Flavors of white pepper and blueberry are integrated with the fine, yet silky tannins. The mid-palate and finish of this wine are generous. While restrained right now, this wine will continue to shine for 8-9 years.

## Why is the Garys' Vineyard special?

The Garys' Vineyard is a partnership between two Garys – Gary Pisoni, the owner of the famous Pisoni Vineyard in Monterey County's Santa Lucia Highlands and Gary Francioni, the owner of the Rosella's Vineyard, also in the Santa Lucia Highlands. This naturally low yielding vineyard is comprised of 40 acres of Pisoni Clone Pinot Noir and 9 acres of Syrah. Combined, the two families have over 200 years of farming experience in Monterey County.

## Flavor Profiles: Garys' Vineyard Syrah

Syrah from the cool climate Garys' Vineyard combines sour cherry and plum skin fruit characteristics with minerality, white pepper and spice, and a pinch of black pepper. It is often described as a Syrah made by a Pinot Noir producer, meaning that this Syrah is very silky and elegant.

## Testarossa's Style:

### Complexity, Balance, and Silky Texture

Testarossa's "house style" is to create wines of uncommon complexity for you to enjoy, while maintaining the beautiful balance of natural wine flavors, hints of toasty new oak, a backbone of natural acidity, and silky smooth texture that make our wines feel as good as they taste.

## Testarossa's Special Syrah Winemaking Techniques

It all starts in the vineyard where our winemaker, Bill Brosseau, works with our growers to produce rich, flavorful, and healthy grapes. All of the fruit is carefully hand sorted, and a gravity flow process is used throughout fermentation. For Syrah, we do an extended pre-fermentation coldsoak, and different from Pinot Noir, our winemaking team utilizes a combination of traditional punch downs mixed with more oxygenating pump-overs which are critical for this varietal.

## Unique Characteristics of the 2004 Vintage

2004 started off with an unusually warm dry spring, resulting in enhanced fruitfulness in the vineyards. Moderately warm summer temperatures meant harvest would come a week or two early. September began with a big heat spike, low humidity, and little fog, and harvest ramped up to full capacity instantly. Color and tannin intensity of the wines are pleasantly balanced with a rich fruit-forward focus.
