LOS GATOS • CALIFORNIA

2005 Sanford & Benedict Vineyard Chardonnay

93
points

This is Testarossa's second vintage from Sanford & Benedict, a vineyard planted in 1971. It's spicy, succulent and firm, with a sophisticated structure that's immediately apparent in layers of ripe pineapple flavor, earthiness and floral tones. Give it time in a decanter and the seaside character of the wine begins to emerge, with a freshness and brininess to balance all the richness of the fruit. A little refreshing chardonnay, built to cellar.

Wine & Spirits - April 2007

90
points

Ripe, but never excessively so, and decked out in plenty of rich oak, this deep and juicy young wine is generously appointed with a wealth of spiced-apple fruit. It is fairly full on the palate and is brightened by good acidity.

Connoisseurs' Guide - February 2007

2004 **91**
points

What's so likeable about this wine is its Chablis-like mineral intensity, although it's also well-oaked. Under the wet stone and flint is a polished layer of white peach.

Wine Enthusiast - March 2006

"The true excitement of Santa Ynez lies westward towards Lompoc and the ocean, where the Sanford and Benedict vineyard occupies a sheltered north-facing niche that perfectly suits Pinot Noir and Chardonnay."

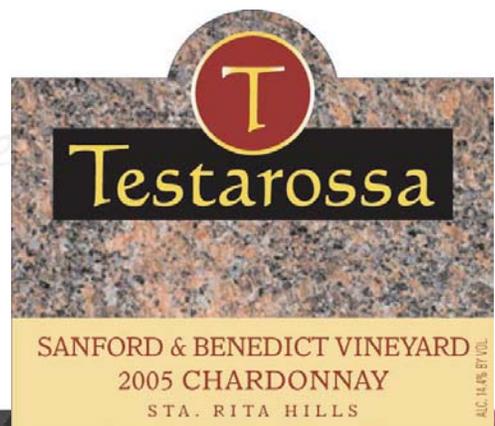

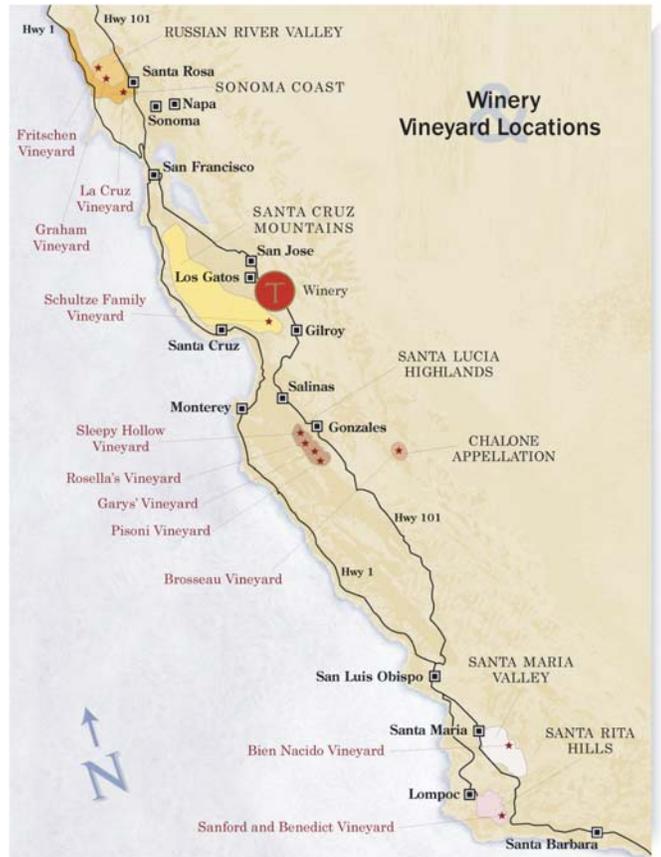

Hugh Johnson, World Atlas of Wine: Fourth Edition, 1994

"The roots of Santa Rita's success go back to the mid-1970s, when Sanford & Benedict Vineyard provided a glimpse of what the future might hold for Pinot Noir grown in the far reaches of Santa Ynez Valley closest to the Pacific Ocean. The 1975 and 1976 vintages of Sanford & Benedict are legendary in the annals of Santa Barbara's wine history. And while S&B has proved to be both a workhorse and a racehorse for a host of local vintners – at times producing brilliant wines – it has taken the ensuing 25 years for the rest of the appellation to develop more fully."

James Laube, Wine Spectator

"Santa Barbara's New Frontier – Santa Rita Hills cool-climate Pinot Noirs add an enticing new twist"

September 15, 2003

Passion in Every Glass!

2005 Sanford & Benedict Vineyard Chardonnay

Tasting notes from winemaker Bill Brosseau:

Rich yellow color. Intense aromas of passionfruit, banana, orange blossoms, and fig. The wine starts with a firm structure, yet softens into a long, rich finish of peach and honey flavors. This wine should drink well through 2013.

Why is the Sanford & Benedict Vineyard special?

The 130-acre Sanford & Benedict Vineyard was planted in 1971, in what is now called the Santa Rita Hills, one of the most exciting Pinot Noir and Chardonnay growing areas in the country. It is currently owned by Robert Atkin and has, for over three decades, been considered one of the crown jewels of Santa Barbara County. The shaley-clay loam soil adds character to all the wines from this vineyard.

Flavor Profiles: Sanford & Benedict Vineyard Chardonnay

This is a full-bodied Chardonnay with rich pear, pineapple, melon and fig characteristics. In some vintages, hints of apricot and nectarine also add to delicious layers of rich fruit and racy acidity that fan out on the finish. These older vines make a concentrated Chardonnay complemented by spicy hazelnut, earthy flavors and racy acidity that come from the shaley-loam soils.

Testarossa's Style:

Complexity, Balance, and Silky Texture

Testarossa's "house style" is to create wines of uncommon complexity for you to enjoy, while maintaining the beautiful balance of natural wine flavors, hints of toasty new oak, a backbone of natural acidity, and silky smooth texture that make our wines feel as good as they taste.

Testarossa's Special Chardonnay Winemaking Techniques

It all starts in the vineyard where our winemaker, Bill Brosseau, works with our growers to balance the vines so they produce rich, flavorful, and nutritionally healthy fruit, without over or under stressing the vines. In the cellar we use native yeast fermentations in 60 gallon French Oak barrels, 100% Malolactic fermentation, and special new innovations that yield uncommonly rich Chardonnays.

Vineyard	Sanford & Benedict Vineyard
Appellation	Santa Rita Hills, Santa Barbara County
Owner	Robert Atkin
Year planted	1971
Acreage (for Testarossa)	10 acres
Yield	2.3 tons per acre
Soil composition	Botella clay-loam, Ballard sandy-loam, Santa Lucia shaley clay-loam
Elevation	200-400 feet
Exposure	Multiple exposures
Climate	Extreme maritime influence due to a unique transverse maritime throat. Average summer temperatures 70-75, and often cooler.
First Testarossa vintage	2004
Harvest	2005
Sugar	24.6
Total acidity	7.5 g/l
pH	3.19
Date harvested	10/10 - 10/12/2005
Bottle:	
Alcohol	14.4%
Total acidity	7.7 g/l
pH	3.31
Bottling date	8/14/2006
Time in oak	11 months
Percent new oak	39%
Production	396 cases
Suggested retail price	\$39/bottle
Opt. time for consumption	2007-2013

Unique Characteristics of the 2005 Vintage

The long, cool, and wet spring of 2005 led to a slow start of the grape-growing season. Spring and summer temperatures across the state were average to below normal. Given the warm temperatures in 2004, grape fruitfulness for 2005 was above normal, leading to higher potential yields. The grapes ripened slowly during the mild summer and fall (up to four weeks later than in 2004), resulting in wines with concentrated flavors and crisp acidity.
