LOS GATOS • CALIFORNIA

2006 Palazzo Pinot Noir

Dark red color. There are aromas of red cherry, raspberry, vanilla bean, anise, and black pepper. This wine smells rich and only gets better in the palate with ripe cherry and strawberry flavors, wrapped around a spicy core. The plush tannins and crisp acidity make this wine fresh today, but should age well for up to 6-7 years.

Medium ruby color; deep stewed cherry and earthy aromas; complex stewed cherry flavors with earthy notes and sweet oak; good structure and balance, long finish. Another testament to winemaker Bill Brosseau's skill as a blender. Rich and distinctive, this Pinot works well with many dishes.

Weight and bright energy mix on the palate, and its medium- depth flavors fall in step with its aromatic beginnings.

Black cherry and plum flavors. Big and rich, this Pinot has the structure to age, but it's drinking so well now you'll be sorely tempted.

This wine feels balanced and tastes delicious. Deep tones of forest berries and rich texture are still light enough for any fish off the grill.

Rich, spicy, oaky notes and extracted ripe cherry fruit seasoned with hints of caramel and toast. Full of flavor and youthful energy.

What is Testarossa's Palazzio Pinot Noir?

The name Testarossa (Italian for "red-head") was Rob's nickname while a University student in Assisi, Italy almost 20 years ago. We named our flagship Pinot Noir "Palazzio" (a derivation of the Italian word for "Palace") to continue the theme we started with our Castello ("Castle") Chardonnay.

Flavor Profiles: Palazzio Pinot Noir

Palazzio Pinot Noir is a blend of several vineyards which combines more forward "California style" fruit from Santa Barbara, with more "old world style" Pinot Noir from Monterey to create a blend that combines rich forward, sweet red fruit flavors, with an underlying backbone of minerals and firm acidity. It is a wine that is praised not only for its exceptional quality but also its great value.

Testarossa's Style:

Complexity, Balance, and Silky Texture

Testarossa's "house style" is to create wines of uncommon complexity for you to enjoy, while maintaining the beautiful balance of natural wine flavors, hints of toasty new oak, a backbone of natural acidity, and silky smooth texture that make our wines feel as good as they taste.

Testarossa's Special Pinot Noir Winemaking Techniques

It all starts in the vineyard where our winemaker, Bill Brosseau, works with our growers to balance the vines so they produce rich, flavorful, and nutritionally healthy fruit, without over or under stressing the vines. All of the fruit is carefully hand sorted, and a gravity flow process is used throughout fermentation. In the cellar we do an extended pre-fermentation cold-soak, and then use a special strain of yeast in our small custom designed 5-ton stainless steel fermentors.

Unique Characteristics of the 2006 Vintage

The long, cool, and wet spring of 2006 led to a slow start of the grape-growing season. Spring and summer temperatures across the state were very cool delaying the growing season. Beautiful Spring weather during flowering lead to higher than normal potential yields. The grapes ripened slowly during the mild summer and fall resulting in wines with concentrated flavors and crisp acidity.
