A Special Day in our Tasting Room

We are proud to announce that we are participating in the Community Hero Program with the Leukemia & Lymphoma Society (LLS). Throughout the month of September businesses across the Bay Area are hosting events to benefit LLS. *On Sunday, September 18th we will be donating all tasting fees and 5% of the day's sales to LLS.* A representative from LLS will be joining us as well.

It was an easy decision for us to agree to participate in this program as the man who introduced Rob and I to fine wine, Doug Tanner, passed away because of Leukemia shortly before we started Testarossa. There might not be anyone who would enjoy what we are doing more than Doug would have. We also have an employee, Rob Jamero, our Shipping and Inventory Coordinator who is currently battling Leukemia. Rob received a bone marrow transplant in May and is recovering nicely so far. We hope to have Rob back to work in the near future. Join us on Sunday, September 18th to lend your support for this great cause.

Join Us For Our Most Anticipated Event of the Year!

We are excited to announce our favorite event of the year! Our Annual Harvest Festival celebrates our loyal and dedicated customers. Now in it's 16th year, Harvest Festival truly showcases our best feature, our guests! This event has grown over the years but our purpose remains the same- to show our sincere appreciation for our loyal customers. We thank you for your continued support and invite you to spend the afternoon with us and roam through our historic cellars as you nibble on gourmet bites and listen to live music.

This year's Harvest Festival will be your first opportunity to taste and purchase our 2009 Diana's Chardonnay and our 2009 Niclaire Pinot Noir. Enjoy this opportunity to experience our most exceptional wines.

Each year Bill Brosseau, Testarossa's Director of Winemaking, and his winemaking team search through hundreds of barrels in our historic cellars seeking out the very best Chardonnay and Pinot Noir barrels that showcase a balance of complex flavor, rich aromas and a long silky texture in the finish. These "best of the best" barrel selections are carefully crafted into our Diana's Chardonnay and Niclaire Pinot Noir, wines known for their consistently excellent quality.

Club Testarossa members are eligible to receive at least 2 complimentary tickets. A designated allocation of discounted tickets are available to Silver, Gold and Platinum customers. Additional tickets may be purchased at full price.

To Reserve your tickets please contact us today, we hope to see you there!

2009 Diana's Chardonnay and 2009 Niclaire Pinot Noir

"Diana's is Testarossa's best barrel blend from its various vineyards from around the coast, hence the California appellation. It's certainly ultrarich, almost decadent, with the apricot, pear and honey sweetness of a late-harvest dessert wine. Yet its thoroughly dry, and finishes with clean, mineral acidity. Deserves its reserve-level price."
