2019 Miclaire

Dark red hue. Aromas of cherry cola, ripe cranberry, raspberry, and roasted strawberry leap out of the glass. Upon second instance, notes of custard, jasmine, roses, grapefruit, and orange blossoms gently populate a complex aroma profile. Once in the palate, these complexities remain and are matched by a sense of minerality and subtle oak spice. Offering vibrancy and density, this 'best of the best' barrel blend showcases the intricacies of textures and flavors of our finest vineyards. Furthermore, the finish is very long and full of pleasure.

Enjoy now through 2032

2019 Diana's Chardonnay

Pale straw hue. Enchanting scents of fig, kiwi, papaya, apricot, pear, and peach unite in this 'best of the best' barrel selection of Chardonnay. With some time in the glass, notes of apple, jasmine, and grapefruit add further complexity. All of these characters persist on the palate and segue towards minerality. The texture of this wine is unctuous and offers incredible depth of layers. While this wine flirts with being big in intensity, it quickly flows towards decadence at the end, with a full, pleasing, and lovely finish.

JENSEN RESERVE SOCIETY

Thank you for being members of our most Elite Club at Testarossa

Our utmost thanks to you, members of the Jensen Reserve Society, for your continued loyalty and patronage over the years. You are what makes Testarossa so special by being part of the club named after our family.

One thing that has never changed is our undying effort to make the best wine possible. Our Diana's Chardonnay and Niclaire Pinot Noir have always been our highest achievement in winemaking and this year is no exception. Director of Winemaking Bill Brosseau and his team do not disappoint and we are very proud to offer you our 2019 vintage.

We look forward to seeing you here at the winery and sharing this special wine with you, our Testarossa family.

Rob & Diana Jensen Founders and Proprietors

The name Niclaire comes from the joining of our two children's names, Nick, born the same year we founded Testarossa and Claire, two-and-a-half years his junior.

The Diana's Chardonnay, named after the family matriarch and winery co-founder, followed six years later. This Chardonnay is the perfect pair to our Niclaire Pinot Noir and both wines have received consistently outstanding scores since their first release in 1997.

On the Home Front 2021

White Wine of the Year!! - 2018 Diana's Chardonnay

First of all, thank you for your continued support of our family owned and operated winery. As we all know, small businesses, especially those of us who have a significant focus on hospitality operations, were disproportionally affected by the pandemic. The biggest impacts we felt were the inability to welcome guests indoors, or to host private events. We were also completely shut down to all visitors for nearly five months. We can't thank you, our Jensen Reserve Society members, enough for your support throughout the pandemic! It is your support, one bottle at a time, that has kept us alive and excited to continue making great wines!

The Jensen Family: Rob, Diana, Claire, Nick & Erin Halligan

Speaking of great wines, the honors for winemaker Bill Brosseau and his team keep rolling in! To start 2021, as a follow-up act to winning Winery of the Year awards in 2020 from both Connoisseurs' Guide and the San Jose Mercury News (for the 11th year in a row), we were honored with winning the White Wine of the Year award from Connoisseurs' Guide for our 2018 Diana's Chardonnay displacing Kistler Vineyard Chardonnays that won this award the previous two years. Diana has the ultimate decision power on the final blend for her namesake Chardonnay! She continues to be on a roll with the 2018 vintage selected as the best white wine from California!

At home, Diana rode out the pandemic taking sanctuary in her recently remodeled kitchen. Cooking (with

the Food Network on the TV) is her hobby and love. Making one outstanding meal after another for the two of us as well as our daughter Claire, who moved back home due to covid closures in San Francisco, brought a lot of joy to our family. Diana has also taken up distance walking for fitness and enjoyment.

Claire, who had been living in San Francisco while working as a professional accountant in Oakland, moved back to our South Bay home in May of 2020. She has been a great "roommate" to have around and is loving being able to pay off student loan debt at a much higher pace than she was able to while living in the city. Other than work and family, Claire is a fitness fanatic. She was so happy to be able to purchase a home SoulCycle bike early in the pandemic. She averages over 40 classes a month, which is WAY less expensive then when she used to do in-studio classes.

Claire's older brother, Nick, and his fiancée, Erin, have set a date for their wedding, which is in April 2022. They are so excited to be planning a wedding where dozens of family and friends can once again gather to dance, laugh, and PARTY, like it was 1999 (or at least 2019)! Nick and Erin also share a love of vegetable gardening, cooking, eating, and drinking! With Erin working in "the business" as an enologist at Conn Creek Winery, it has been a lot of fun for us to go up to Napa to be "tourists" at other people's wineries.

For me, well, I continue to ride my bike with my exbike racer friends when not working. They all have a higher level of fitness and take great joy in pushing me to my limits. As a result, surprisingly, I haven't put on a single pound during the pandemic! My other hobbies include flower gardening/landscaping at our home, woodworking and audio-visual systems.

From our family, and the entire Testarossa team, we thank you for sharing your passion with us and all the other members of the Jensen Reserve Society! Please stay safe, stay healthy, and stay thirsty!

Rob, Diana, Nick and Claire

2013 93 POINTS/ROBERT PARKER

Another fresh, lively, medium to full-bodied effort. Cassis, black raspberry, sappy underbrush and spice-box all flow from this pure, lively and balanced 2013, and it has nicely integrated tannin and good acidity. Drink it anytime over the coming 6-7 years.

2014 95 POINTS/CONNOISSEURS' GUIDE

Infused with a wealth of very rich oak, it remains solidly fruity throughout its length, and, while a big, mouthfilling wine of immense stuffing, it is certain to improve for many years. Its riveting richness will be met by refinement as time slowly passes.

2015 96 Points/Connoisseurs' Guide

It teases with succulent cherries on the nose and what follows on the palate is a very solid, impeccably balanced wine that lives up to its aromatic promises of purity and depth, but is still in its infancy and demanding of age. If another two years seems a minimum wait, we would opt for at least five.

2016 95 POINTS/ Anthony Dias Blue

Bright ruby color; soft plum and berry nose; smooth, lush texture; ripe cherry and berry fruit, meaty and rich with balance and depth; complex and long.

2017 95 POINTS / Connoisseurs' Guide

Impeccably crafted wine that shows an uncanny union of power and grace. It hits all the right marks from focus and feel to its amazing finishing length.

2018 95 POINTS/ ANTHONY DIAS BLUE

Deep ruby color; juicy cherry with racy acidity and excellent structure; silky and crisp with tart cherry and tangy fruit; long and stylish.

2013 94 POINTS/ROBERT PARKER

Beautiful lemon rind, citrus blossom, honeysuckle and hints of toasted bread, it is medium-bodied, firm and crisp on the palate, with fabulous purity and precision. This is pure class, and I suspect will drink nicely for at least another 7-8 years.

2014 94 POINTS/WINE ENTHUSIAST

Excels on all fronts, showing lemon peels, browned butter, creamy lily and pan-seared apples on the light, crisp yet savory nose. The mouthfeel is rich but decorated with a zesty line of salty acidity that cuts through the lemon-curd flavors.

2015₉₄ Points/Robert Parker

Wonderfully gregarious nose of guava, pineapple, ripe peaches and pink grapefruit plus supporting notions of spice box, candied ginger and toasted nuts, it is tightly wound in the mouth, offering glimpses at tropical and savory layers, finishing long and vibrant.

2016 95 POINTS/ANTHONY DIAS BLUE

Golden color; smooth and rich, juicy and elegant; toasty, ripe and lovely; balanced and racy, subtle and long.

2017 95 POINTS/ Connoisseurs' Guide

Fruity, beautifully proportioned and decked out with especially lovely oak, and all of its many parts combine in an uncommonly seamless whole. From its complexity and richness to its impeccable balance, will age gracefully for years.

2018 95 POINTS/ Connoisseurs' Guide

Year in and year out, Testarossa's Diana's Chardonnay has proven to be among the cream of the crop and gets the nod as our favorite Chardonnay of the year.
