Featured Vineyards

Rosemary's Vineyard, Arroyo Grande Valley

Rosemary's Vineyard overlooks the Pacific Ocean, just six miles to the southwest, and surrounds the home of Talley Vineyards co-founder Rosemary Talley. One of the coolest sites in the Arroyo Grande Valley, its cool climate, low yields, and exceptional soils produce fruit of remarkable elegance and complexity. In partnership with the Talley Family, Testarossa owners Rob and Diana Jensen and Director of Winemaking Bill Brosseau craft Chardonnay and Pinot Noir that reflect the vineyard's distinctive Old World-inspired character.

Sierra Mar Vineyard, Santa Lucia Highlands

Sierra Mar Vineyard is owned by the Franscioni Family and sits at just over 1,000 feet, making it one of the highest vineyards in the Santa Lucia Highlands. Once part of the family's historic cattle ranch, the rugged 44-acre site is divided into distinct blocks by varied terrain and alluvial soils. Thin soils, persistent winds, limited water, and high elevation produce wines of exceptional concentration and character. Testarossa is proud to craft wines from all five Franscioni/Pisoni vineyard properties.

Garys' Vineyard, Santa Lucia Highlands

Garys' Vineyard is one of the most celebrated vineyards in the Santa Lucia Highlands, producing Pinot Noir sought after by many of the world's finest wineries. A partnership between Gary Pisoni and Gary Franscioni, the vineyard was planted in 1997 with 42 acres of Pisoni Clone Pinot Noir. Its proximity to Monterey Bay provides an exceptionally long, cool growing season that develops remarkable depth and complexity. Testarossa has crafted Garys' Vineyard Pinot Noir since 1999 from a five-acre allocation.

Appellation Summaries

Arroyo Grande Valley

Based in in San Luis Obispo County, California, Arroyo Grande is known for producing fine Pinot Noir and Chardonnay grapes. The climate, during the growing season, is influenced by the close proximity of the Arroyo Grande Valley to the Pacific Ocean. The valley experiences a long dry moderate summer season and a mild winter season. The cool climate and low yields, as well as exceptional soil, lend to the elements that produce acclaimed fruit from this region.

Chalone

The viticultural area is located on a geological bench in the Gabilan (or Gavilan) Mountain Range of Central California, near Salinas Valley. The climate of the Salinas Valley is tempered by the cooling winds from Monterey Bay which form a thick fog layer that extends to an elevation of 1,000 feet (305 m). The soils of the Chalone area has limestone and decomposed granite soil and significantly differ from soils of surrounding areas. The limited rainfall and soil content of limestone and granite contribute to the rich bouquet found in Chalone wines.

Russian River Valley

Located less than 10 miles from the Pacific Ocean, has a climate influenced by cool morning fog from the Petaluma Gap that dissipates during the day. This fog causes significant diurnal temperature variations. The Russian River, which is rain-fed and swells in winter, provides essential irrigation during the dry late spring. Summer warmth is moderated by the fog, allowing for a long ripening period and reducing the risk of overripe flavors in the grapes.

TESTAROSSA WINERY

Appellation Summaries

Santa Cruz Mountains

The mountainous Santa Cruz Mountains appellation has been home to our winery since 1888. Cool night and warm sunny days allow for long, slow, full ripening of the fruit. Most wines come from high-altitude, small vineyard, growing on top of an ancient seabed near the Pacific Ocean. These growing conditions give the wines a distinct identity, characterized by fresh flavors, bright fruit, and minerality.

Santa Lucia Highlands

Santa Lucia Highlands is one of the state's best-known regions for world-class Chardonnay and Pinot Noir. The area's proximity to Monterey Bay makes for a very cool climate, with one of California's longest growing seasons. The resulting slow, gentle ripening allows for full flavor development on the vine. Testarossa's production team's partnership with the best estates in the Santa Lucia Highlands ensure only the highest quality fruit makes it to the winery.

Santa Rita Hills

The Santa Rita Hills appellation is one the unique places where the valleys run east-west opening up toward the Pacific Ocean near Lompoc in Santa Barbara County. The valley is nestled between the Purisima Hills and the Santa Rosa Hills with the Santa Ynez river running through it. Fog and cool, ocean breezes coupled with wind and soils that limit vine vigor add to intense flavor in cool climate Chardonnay and Pinot Noir. Testarossa has been making wine from the Santa Rita Hills since 2004.
